This management bulletin transmits information regarding the afterschool meal supplement (snack) program. A third edition of questions and answers regarding afterschool snacks in the National School Lunch Program (NSLP) and the At-Risk Component of the Child Care Food Program (CCFP) is enclosed. The first set of questions and answers was issued as Management Bulletin (MB) 99-104. A second edition, issued as MB 99-106, incorporated and superseded the questions and answers in MB 99-104. This attachment supersedes both of the prior management bulletins.

Most of the questions and answers from MB 99-104 and MB 99-106 are restated without change. Some obsolete questions have been removed and several others required minor clarifications to reflect current policies. A new section answers questions regarding residential child care institutions. All questions that are new or have changed from earlier bulletins are marked with an asterisk (*) before the question number.
